PROCEDURAL ORDER

**BY THE COMMISSION:**

On September 27, 2013, Utility Source, LLC ("Utility Source") filed with the Arizona Corporation Commission ("Commission") an application for a determination of the current fair value of its utility plants and property and for increases in its rates and charges for water and wastewater utility service provided to customers in the Company's service area in Coconino County, Arizona. Utility Source's application uses a test year ending December 31, 2012. The vast majority of Utility Source's customers are residential customers served by 3/4-inch water meters. Utility Source's wastewater rates use each customer's water consumption data to establish the customer's corresponding wastewater charges, and Utility Source proposes in its application to add a monthly minimum charge for wastewater services as well, based on water meter size.

On October 24, 2013, Staff filed a letter indicating that the Company's application met the sufficiency requirements, and classifying the Company as a Class C utility.

On October 29, 2013, a Procedural Order was issued suspending the timeframe in this matter and setting a procedural conference to be held on November 12, 2013 at 1:00 p.m.

On November 8, 2013, Utility Source filed a Motion to Reschedule Procedural Conference. Utility Source requests that the conference begin at 2:30 p.m. instead of 1:00 p.m. to accommodate scheduling conflicts. The filing states that Utility Source contacted Staff and Staff as no objections to the Motion.

1 IT IS THEREFORE ORDERED that the **procedural conference** scheduled in this matter on  
2 **November 12, 2013, shall begin at 2:30 p.m.**, or as soon thereafter as is practicable, in Hearing  
3 Room No. 1 at the Commission's offices, 1200 West Washington, Phoenix, Arizona 85007.

4 IT IS FURTHER ORDERED that the Presiding Officer may rescind, alter, amend, or waive  
5 any portion of this Procedural Order either by subsequent Procedural Order or by ruling at hearing.
